

CTHS post card

Cody:

The Carbondale Township Historical Society post card: very nice. It makes a very good calling card.

Good to see you on Saturday after the Parade. Such wonderful news about a Gonsauls baby on the way!

It looks like the Viewmont Mall Historical Society event on September 28 is shaping up nicely. We're off to a good start, and it's going to get bigger and better as the years pass by.
